

PBBS has over 60 years of experience servicing boiler room needs. We are pleased to combine our in-house expertise with the following quality manufacturers:

Boilers

	<ul style="list-style-type: none"> • Firetube – Wetback, Dry Back, Inter-cooled Back and Low Emission • Commercial – Flexible, Electric, Condensing and Non-condensing • Industrial Watertube • Sealed Combustion, Condensing, Bowdown Separators and Tanks • Skid Systems
	<ul style="list-style-type: none"> • Steam Generators, Electric Boilers, and Thermal Fluid Heaters
	<ul style="list-style-type: none"> • Atmospheric, Sealed Combustion, and Condensing
	<ul style="list-style-type: none"> • High Efficiency Hot Water Solutions
	<ul style="list-style-type: none"> • Commercial Hot Water and Steam Boilers

Water Heaters & Tanks

	<ul style="list-style-type: none"> • Atmospheric, Sealed Combustion, and Condensing
	<ul style="list-style-type: none"> • High Efficiency Hot Water Solutions

Feed Systems, Condensate Receivers & Deaerators

	<ul style="list-style-type: none"> • Deaerator – Tray, Spray, Packed Column • Feed Systems
	<ul style="list-style-type: none"> • Feed Systems
	<ul style="list-style-type: none"> • Feed Water Systems
	<ul style="list-style-type: none"> • Condensate Return Pumps, Boiler Feed Systems, and Vacuum Systems

Pumping & Heat Exchangers

	<ul style="list-style-type: none"> • Blow Down Heat Recovery, Chemical Feed Systems
	<ul style="list-style-type: none"> • Vertical, Horizontal and Multi-Stage Pumps, Heat Exchangers, Stainless Steel Pumps, ASME Tanks and Air Separators
	<ul style="list-style-type: none"> • Circulators, Horizontal, Vertical In-Line & Air Accessories, Shell & Tube • Heat Exchanges, Tube Bundles, and Pumps
	<ul style="list-style-type: none"> • Chemical Feed Systems And Metering Pumps

Burners

	<ul style="list-style-type: none"> • High Efficiency, Low Emission Burners • High Turndown Retrofits (10:1)
	<ul style="list-style-type: none"> • Industrial High Efficiency, Ultra Low NOx Burners
	<ul style="list-style-type: none"> • High efficiency burners, high turn down

Venting Systems

- Stack and Chimney Liners, Grease Ducts
- Auto Draft Vent Systems

Economizers & Feedwater Heaters

Control Systems

- Hawk Burner Management Systems
- Burner Management Control Systems
- Sequencing Controllers
- Boiler Control, Metering, Monitoring & Controlling, SCADA
- Flame Safeguard, Burner Management Systems

Water Conditioning

- Softeners, Dealkalizers
- Softeners, Dealkalizers, Iron Removal

Steam Specialties

- Steam Traps and Controls
- Boiler Controls, Flow Switches And Liquid Level Controls
- Control Valves For Pressure And Temperature, Steam Regulators, Reducing and Relief Valves

At PBBS, we provide our customers with complete boiler and burner services. We offer product and engineering assistance for all makes and models. Our vast array of services also includes:

- Annual inspection and maintenance
- Monthly service
- Scale and rust removal (turbinizing)
- Preventive maintenance programs
- Burner conversions
- Efficiency tune-ups
- Refractory repair and replacement
- Non-destructive testing
- Internal tube inspections (Borescope)
- Certified pressure vessel repair and altering
- Propane systems
- Boiler rentals
- Boilers, burners, and accessory parts
